EMERGENCY CONTACT DETAILS

It is really important for Springfield Day Nursery to be able to contact you (or another named individual) in the event of an emergency whilst your child is attending a nursery session. We therefore ask that details of all numbers you can be contacted on (during your child's nursery sessions) are recorded below. We also require that, where possible, an additional name and telephone number is included in case you are not contactable, for example, a relative, friend or neighbour.

Your emergency contact details:

TERMS AND CONDITIONS OF SPRINGFIELD DAY NURSERY

Fees are to be paid in advance, either weekly or monthly by cash or online – Barclays, Sort Code: 20-16-12, Account number: 50843253, stating the child's name and week/month it covers. Should the fees not be completely cleared by the end of the week or month at the latest, your child will be liable to lose their nursery place.

Fees, including any lunches, are still due during any periods of absence, i.e. holidays, sickness and any self-isolation due to the Coronavirus.

Any extra sessions required, to be paid in advance, and will not be refunded if cancelled.

Four weeks paid notice required, or four weeks paid in lieu of notice.

Any permanent changes that you may like to make to your booked sessions will be accommodated depending on availability.

You will be required to complete the enrolment forms to give the Nursery necessary information for the well-being of your child.

The Nursery opens at 7.45am and closes at 5.45pm promptly.

Due to the Nursery being very well equipped, unless we ask your child to bring in specific items, we accept no responsibility whatsoever for toys or 'un-necessaries' brought from home. We also do not accept responsibility for any items left outside the Nursery.

Be fully aware the nursery is not responsible for the safety of the child before entering or when leaving the nursery building. This is your responsibility.

Copies of all policies are available on request. Please see over for our health guidance procedures.

If your child is uncollected by 18:15 with no parental or authorised persons being able to be contacted we will follow our Uncollected Child policy and phone Customer First.

Please be fully aware should you reduce your child's attendance, for example during college holidays, we can only guarantee the times retained and paid for during the break.

Health Guidance Procedure

Diarrhoea and vomiting

The parent/carer will be informed of the situation, should the onset be while the child is in attendance, this may require the child to be collected from nursery. Exclusion is required until the child has been free of the condition for 48 hours.

Chicken Pox

The child will need to stay away from nursery until all the spots have crusted over. This is usually 5 days after the spots first appeared. Whole setting will be informed.

Conjunctivitis

As long as medical advice has been sought and the treatment begun, exclusion is not necessary.

Impetigo

The child should not attend nursery for 48 hours after the treatment has begun. Unless the lesions are covered.

Slapped Cheek Disease

This has a 4-20 day incubation, it is infectious before the onset of the rash. The rash has the appearance of a 'slapped' cheek, followed a day or so later by a lace-like body rash. Exclusion is only necessary if the child is unwell. Pregnant women should be made aware, so they can consult their doctor for advice.

Headlice

Treatment should be given and the nursery informed.
